

Put on your detective hat, and take a shot at our photo scavenger hunt! Below are eight riddles that describe eight exhibits at RAM. Solve the riddles, find the spot, then snap a photo!

Once you complete the whole hunt, post your photos on Instagram, Facebook, or Twitter, and tag RAM so we can see!

Happy hunting!

1. *Moose nose, beaver tails,
and tongue of buffalo.
Find them in the shadow
of this furry brown beast,
Who still roams the plains today.*

Take a picture as you look longingly into the eyes of the beast!

2. *Lean back and open wide.
This won't hurt a bit
The dentist will be in to see you shortly.*

Give us your biggest toothy grin!

3. *The winds are cold and winter is coming.
And the fields are wilting waiting for harvest.
But wait! A green, steel monster approaches!*

Show us your moves to scare the green monster!

4. *I roamed Edmonton millions of years ago.
My teeth are flat and large,
less frightening than the t-rex teeth that
would have bitten me!*

Scare us with your most ferocious roar!

5. *What's lurking deep in there?
Is it a bear, or a witch's lair?
Do you dare to look inside?*

Make your best witch's glare!

6. *Normally I'm grazing the prairies.
Today, I'm laid bare for all to see.
What gets under your skin?*

Show us your muscles!

7. *She is hungry for lunch.
Weaving her giant orb-shaped web.
Catching her next victim.*

Make your best spider impression for the camera!

8. *Off the beaten track and down the hall,
A cabinet full of curiosities.
What catches your eye in the museum zone?*

Point to your favourite object and snap a shot!
